product design.

DESIGN PLUS
Award 2004

- 3KRAFT comes equipped to suit your requirements:
Up to three sockets plus a compressed air connection.
- Ready for installation or ready for use, with supply cable and plug.
- Available in three colours:
signal yellow, red or silver.
- Handy design with three integral handles that may also be used as tool holders, e.g. for compressed air guns etc.

SCHUKO®

MENNEKES SCHUKO® sockets with rugged hinged covers cope even with highest mechanical constraints.

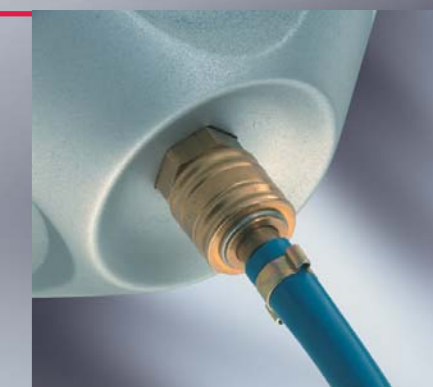

Data

RJ45 double socket for network connections, peripherals or diagnostic equipment.

Compressed air

1/4" quick coupling. Supply connection with 9 mm or 13 mm threaded nozzle.

CEE

The system may be fitted with 16A CEE sockets from 3 to 5 poles and from 230V to 400V. Suspended designs are also proposed with 32A sockets.
